

Autocad necesita **que cada año** renueves licencia estudiantil.

También en vez de esta guía puedes seguir los pasos en la página de autodesk.

Renew Access

1. Make sure you are still eligible for educational access by reviewing [who is eligible](#).
2. On the [Education product page](#), sign in to your account.
3. Click Renew in the banner notification.
4. Complete checkout by filling in basic information about your school and yourself. If you already have an Autodesk account and you didn't already sign in, you will be prompted to sign in before continuing.
5. Once you [confirm your eligibility](#), your access and products listed are automatically extended for another year.

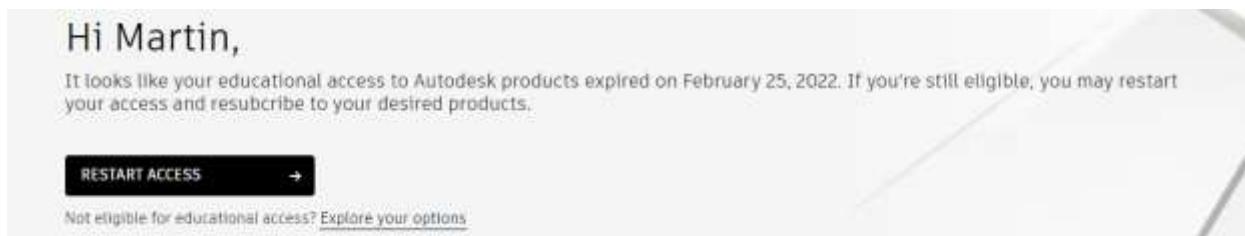

Once you've renewed access, there's no need to download a new version of your installed software unless you want the latest version. To download the latest version, go to [Autodesk Account All Products & Services](#).

Guía para renovar licencia Autocad

Paso 1: Acceder

Para ello, visita [autodesk.com](https://www.autodesk.com) e inicia sesión con tu cuenta institucional. Luego, hay dos escenarios posibles:

- a) Te aparece una notificación en grande para renovar

En este caso hay que dar click en “Restart Access / Reiniciar Acceso”

- b) No te aparece notificación

Visita el apartado de tus productos, y da click en “Select / Seleccionar” En AutoCAD

Luego de nuevo, da click en “Select / Seleccionar” en el pan de estudiante.

The screenshot shows the Autodesk educational access website. At the top, there is a purple header bar with the URL "autodesk.com/education/edu-software/overview#ACDIST". Below the header is a black navigation bar with links for "Education", "Products", "Students", "Educators", "Administrators", and "Get Help". The main content area has a white background. It features a large heading "Autodesk educational access" and a section for "AutoCAD Subscription plans". A red box highlights the "A AutoCAD" icon. Below it, the "Subscription plans" section is shown. A box for "Student" is selected, indicated by a checkmark icon. The box contains the text "Student" and "1 named-user seat". A "Select" button is visible at the bottom of the box. To the left of the "Student" box, there is another box for "Educator" which is not selected, indicated by a small checkmark icon.

The screenshot shows the Autodesk educational access page. At the top, there's a navigation bar with links for Products, Support, Learn, Community, Education, Education, Products, Students, Educators, Administrators, and Get Help. A search bar is also present. Below the navigation, the title "Autodesk educational access" is displayed. A prominent "Thank you" message is centered, followed by a sub-instruction: "Access products to download and install software, access cloud services, and assign users in your account." A "Access products" button is visible. Under the "Products" section, there's a list item for "AutoCAD" with a quantity of "1".

Paso 3: Instalar

Para instalar autocad, simplemente procede a la sección de tus productos (manage.autodesk.com/products/all) y da click en “Install / Instalar”

The screenshot shows the Autodesk product management interface at the URL manage.autodesk.com/products/all. The top navigation bar includes Account, Home, Products and Services (which is the active tab), User Management, Billing and Orders, Reporting, Support, and Settings. A notification bell icon is also present. The main section is titled "Products and Services" and contains tabs for All Products and Services, Product Updates, Custom Install, Trials, and Hubs. There's a search bar and a link to "Add products". Below, four product cards are displayed: AutoCAD, AutoCAD Architecture, AutoCAD Electrical, and AutoCAD MEP. Each card shows a thumbnail, a brief description, version (2025), operating system (Win 64), language (English), an "Install" button, and a "View details" link.
